Nurturing a Culture of Peace within the Youth

World Peace Initiative (WPI) Foundation, in partnership with Kenyatta University will invite 150 young leaders from across Africa to **connect, learn** practical tips to become mindful and efficient at personal and professional levels, to **discover** individual potential, talents and capabilities from varied dimensions, progress **and co-create together a culture of peace in Africa.**

When young people in Africa start engaging on identifying strategies for conflict resolution and peace building, a peace revolution evolves!

WHAT:
**AFRICA PEACE
SUMMIT** TO CREATE
SPACE FOR PEACE BUILDING
AMONG YOUNG AFRICANS

WHEN:
17-20 OCT 2016

WHERE:
KENYATTA UNIVERSITY
NAIROBI, KENYA

WHO:
WPI & KENYATTA
FOR YOUNG
AFRICAN LEADERS

The Summit

The World Peace Initiative (WPI) foundation in Partnership with Kenyatta University Mentoring Program is organizing the first Africa Peace Summit dubbed “Connecting minds, unleashing potential” with the aim of creating space for peace building among young African leaders.

The summit will consist of **presentation** from renowned international guest speakers, plenary discussions, question and answer sessions, networking sessions, mindfulness meditation sessions and team building activities while giving special focus on peace building from the self to group, with participants actively involved in **discovering new ideas for enhancing peace** in their communities.

Media coverage

We are looking for media coverage **before, during and after** the summit. We are available to offer **interviews** with our **participants, organizers, speakers and facilitators** as well as our **meditation teaching monks**. To get access to the summit or get more information please contact nahom@peacerevolution2010.org
